

CircleUp Guidebook

The definitive playbook for Pune's premier curated social mixers. Everything you need to know about our safety, curation, and experience blueprint.

Who We Are & What We Do

A peek inside our community blueprint and why we're bringing human-first socializing back.

Moving Beyond the Screens

Who Are We?

CircleUp is a high-vibe social discovery community built to bridge the gap between digital disconnect and real-life connections. We design hand-picked cozy public social settings where safety, security, and shared chemistry exist seamlessly.

What Do We Do?

We curate intimate, closed circles of 8–10 hand-picked strangers. Through effortless ice-breakers, structured mini-games, and timed rotations, we make "stepping out of your box" feel safe, natural, and completely memorable.

What to Expect at our Mixers

Skip Small Talk

No repetitive professional pitches or boring weather talks. Our ice-breakers are engineered to dive straight into genuine, rich stories.

Flawless Balance

We maintain a strict 1:1 gender ratio. In our intimate 8-10 person setup, every single guest feels seen, valued, and comfortably integrated.

Premium Venues

We only host inside top-tier public spaces with private spots in key Pune spots like Viman Nagar, KP, Kalyani Nagar, and Kharadi.

Can I Join Solo or with Friends?

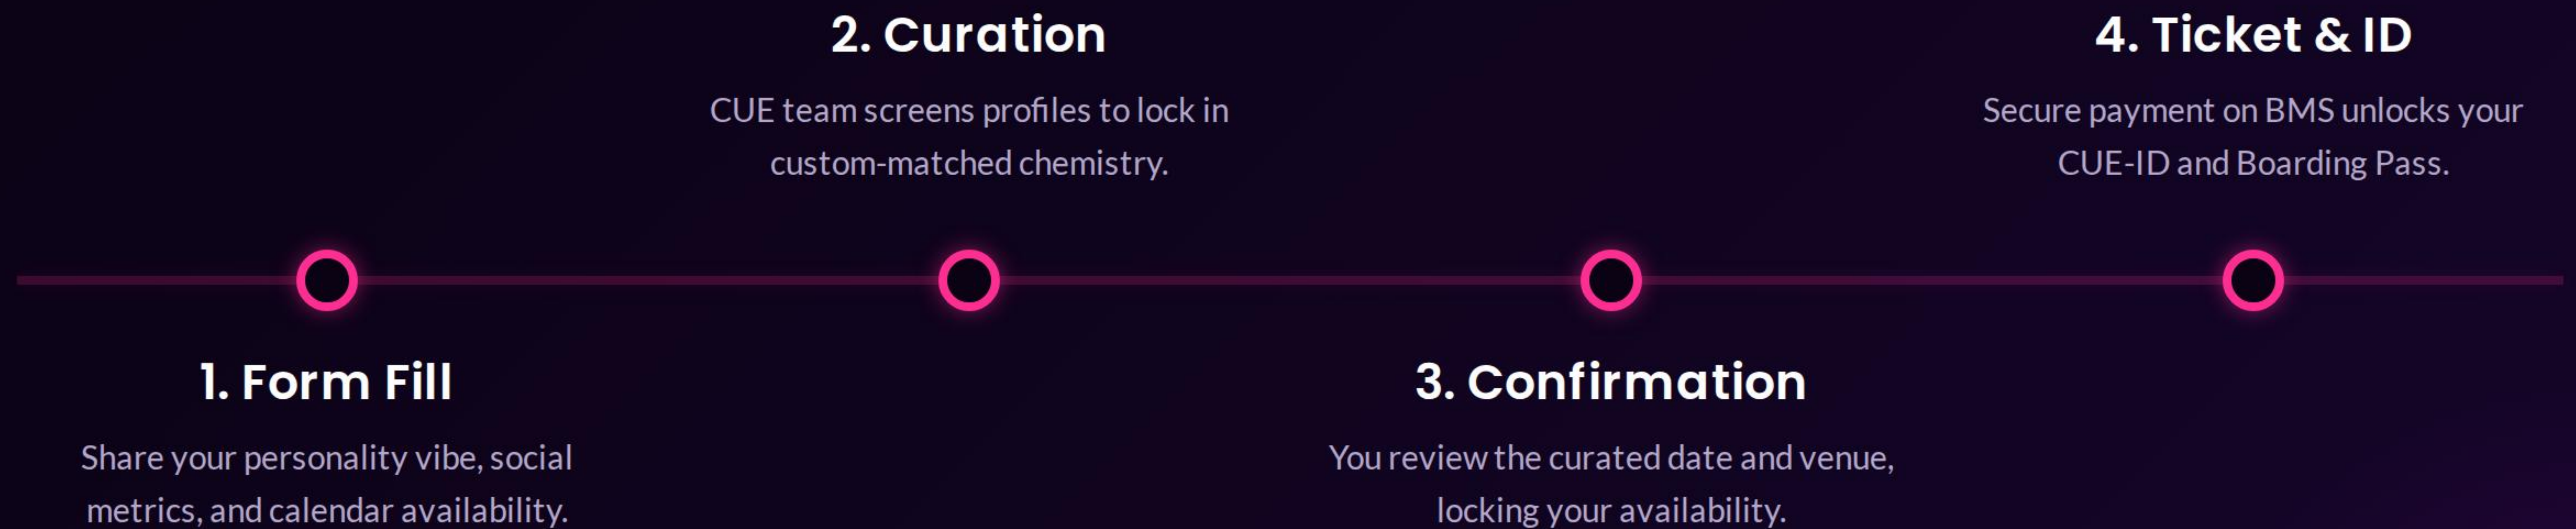

Going Solo

Over 90% of our guests join solo! The circle is intentionally crafted to dissolve any stage fright. Our host leads you through the entire dynamic, making sure you feel relaxed, included, and perfectly placed from minute one.

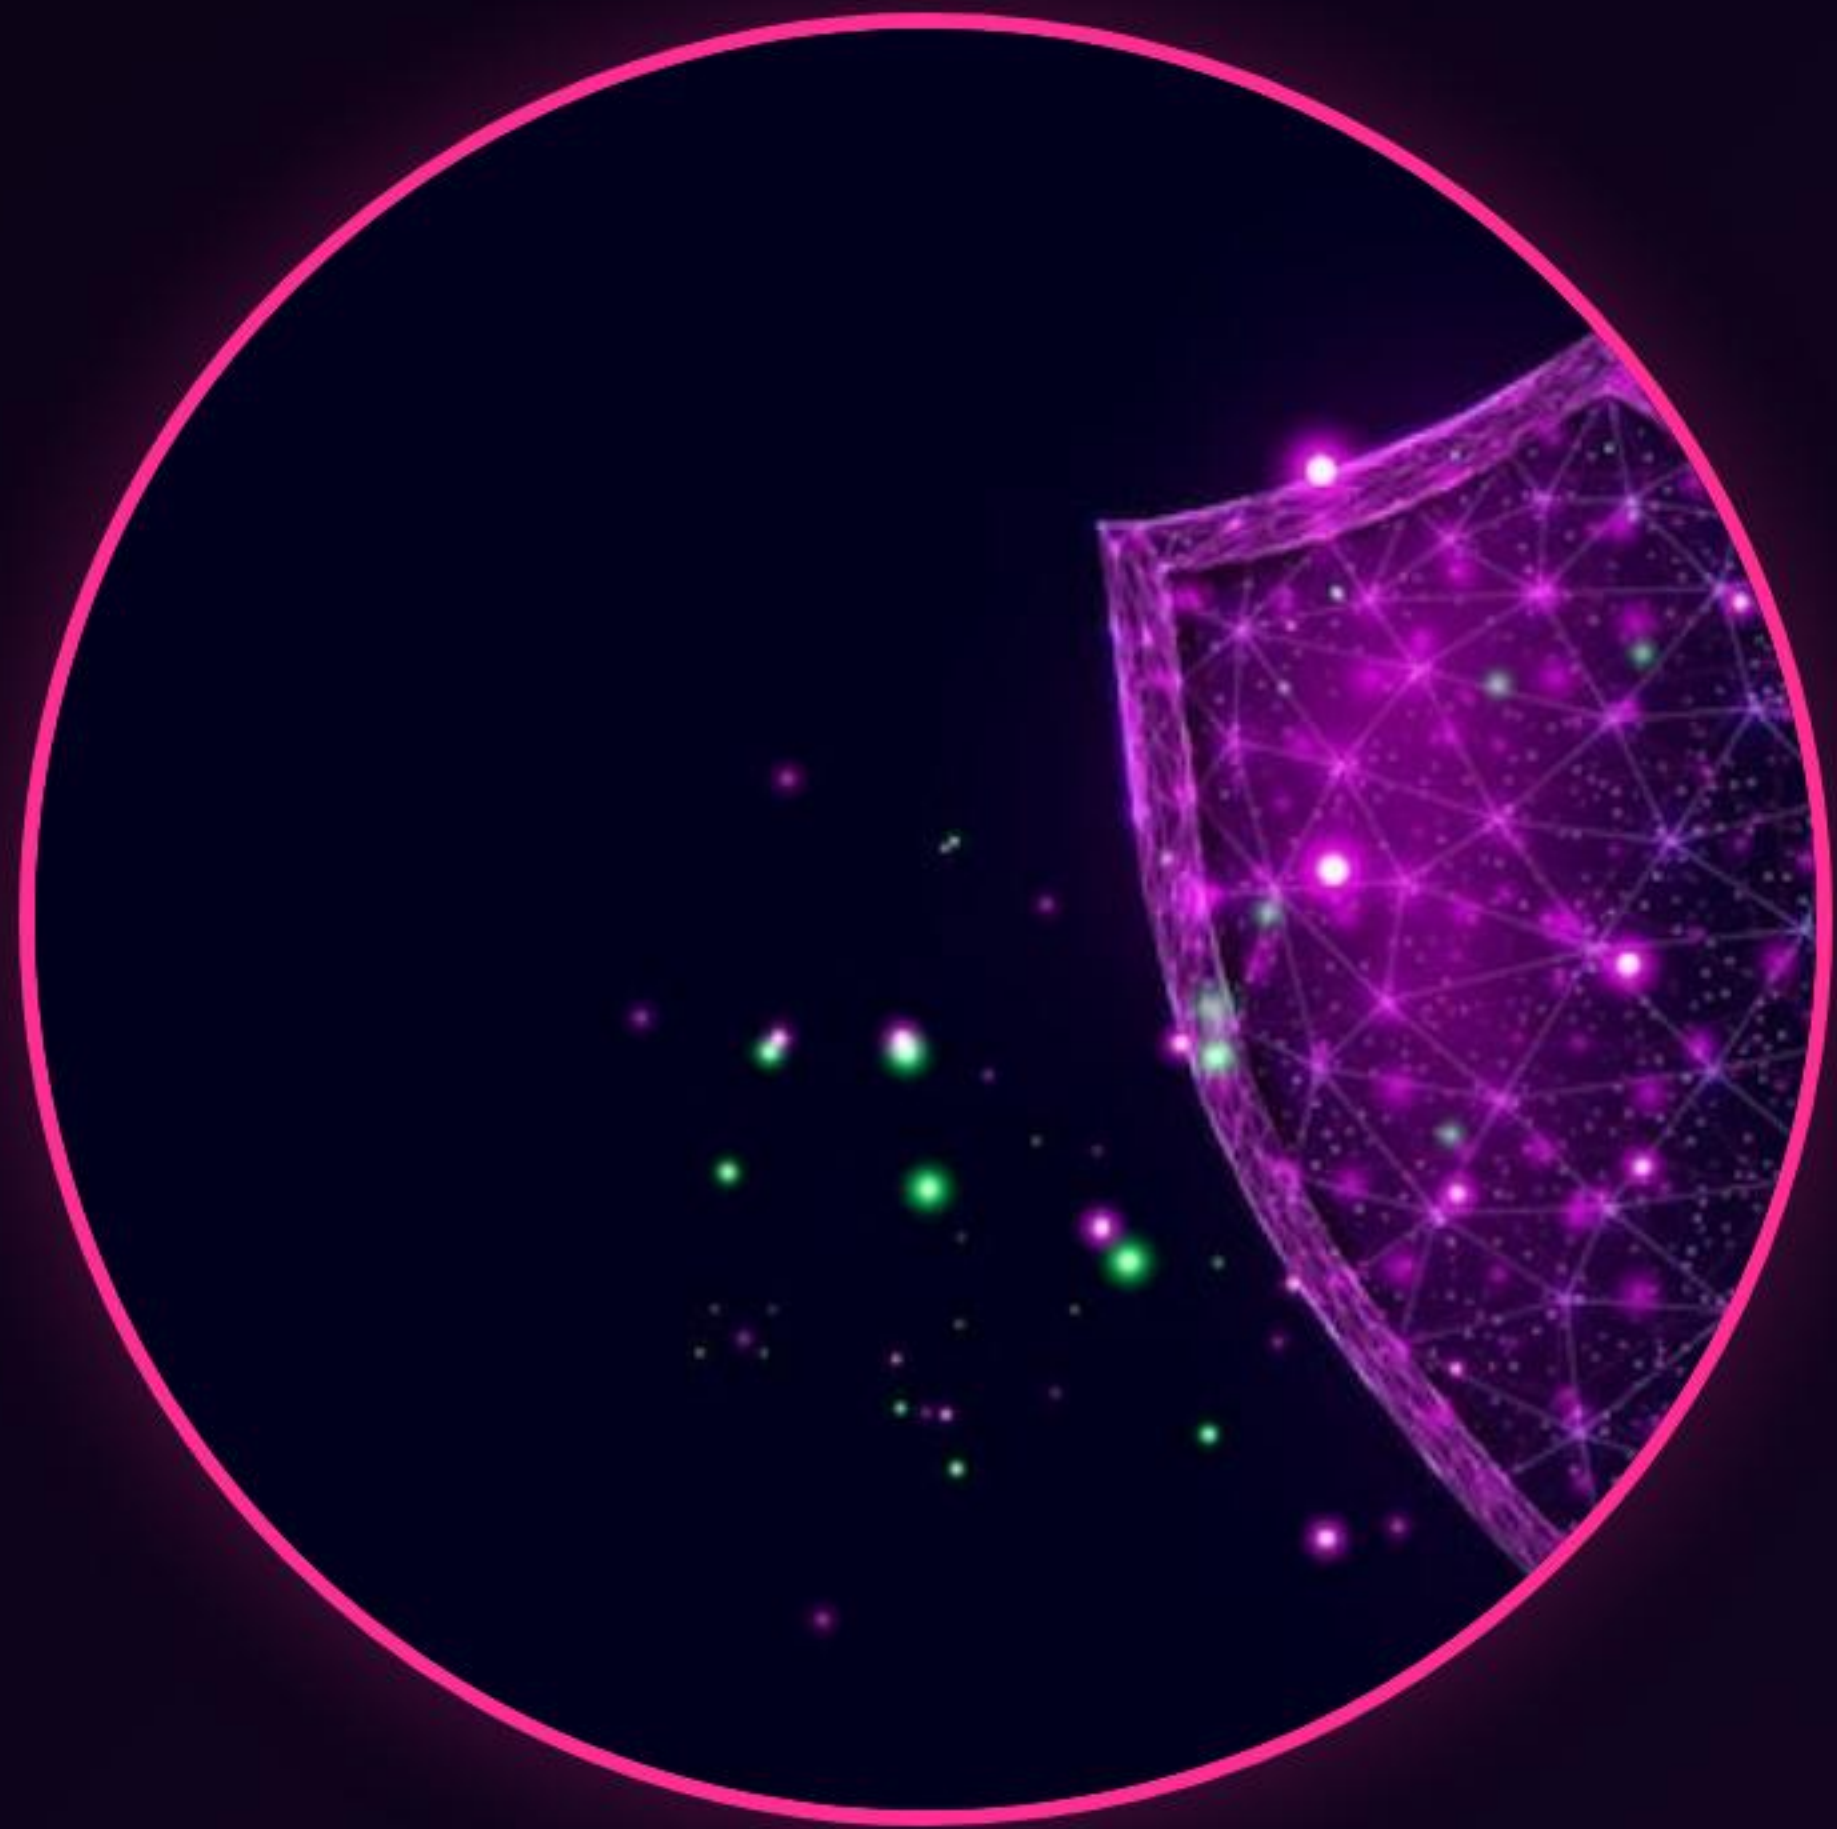

Bringing Friends

You can register with friends! However, to maximize the quality of social discovery and help everyone step out of their comfortable bubbles, we may place you in separate circles to help you make completely new connections.

| The Curation Funnel

| Safety & Verification Protocol

The Masked Aadhaar Policy

To guarantee absolute comfort and safety, ID verification is a non-negotiable step before admission. We take trust seriously.

Masking is Welcomed: We do not store or need your ID number. You can fully blur or block out your Aadhaar number! We only verify that the registered name and face match the real person entering our circle. Quick verification happens right at the door.

Non-Transferable Invites: Every pass is custom-vetted for your unique profile. Passes cannot be gifted or handed over to friends without direct CUE curation approval.

Conduct Standards: We maintain a strict zero-tolerance policy for inappropriate, disrespectful, or unsafe behaviour. Entry will be revoked immediately without refund if rules are violated.

| Are We the Best?

“ We are not competitors. We are all on the exact same boat, aiming to give you a vibrant social experience that would otherwise take massive personal effort to organize. Each social group offers a unique journey—and we continually strive to upscale your comfort at CircleUp. ”
